

Netball Development Manager - Netball Wellington Region

We're looking for a Development Manager with the ability to lead the development and implementation of a programme that will set our region up to deliver superior development initiatives that meet our strategic priorities.

This is an exciting opportunity for a senior netball development professional, to make your mark on netball in the region as we shift towards a new season in new premises with a refreshed organisation.

You will have the following attributes and experiences:

- A confident, credible leader who inspires others
- A clear, confident communicator who can communicate ideas and formulate recommendations
- A passion for delivering superior netball development outcomes
- Adept at working with others to deliver outcomes
- Experience leading a team of people
- Experience contributing to or developing strategic plans
- Proven success driving change and a high performance culture

This position will report to the General Manager of the Netball Wellington Region, but works closely with our member Centres and other stakeholders and is a full-time position. If you would like to have a confidential discussion and/or obtain further information about the role, please contact Ann Hay on 021 535 291

If you think this is the perfect role for you and would like to apply, please email us with a one-page covering letter and your CV by 5.00pm Monday 7 November to Ann Hay annahay@paradise.net.nz
