

Do they Understand?

This workshop for Umpire Coaches and Panel members will focus on coaching techniques, identifying coaching points and ensuring the message given to umpires is received correctly.

DURATION:

This 1-1 ½ day workshop will have to be held at a weekend and preferably when several games are available.

It is a mixture of theory and practical and panel members need to be available for most of the time.

Therefore it is suggested you find a suitable event/ practice games where the panel members are not also umpiring.

TARGET GROUP:

ALL panel members from the region should attend. Panel members may attend in any region.

In 2013 people wishing to be appointed to panels will have to have completed update courses such as this in the previous two years. (More detail on this available soon)

VENUE/FACILITIES:

For the first two-three hours a room will be required.

There must be several games available with umpires to control them over a period of time

EQUIPMENT:

Whiteboard, data projector

FACILITATOR/TRAINERS:

Sheena Tyrrell and Raewyn Rolandson, NZUP, will be the lead trainers and at times may be assisted by other NZUP members.

COST:

Participants: \$ 10 each

RESPONSIBILITIES	
REGION	NNZ
Book venue and cover costs	Provide facilitator/trainers
