Application High Performance Umpire Manager

Netball New Zealand is advertising a new full time position in High Performance Umpiring. The primary purpose of this role will be to lead the development of High Performance umpiring in New Zealand, aligning strategies to the wider High Performance Plan and vision to ensure NZ umpiring is the best in the world.

Other key responsibilities include leading and managing the National Umpire Squad pathway (from NZ Talent Development through to the ANZ Championship Umpire Squads), working closely with National Umpire Squad coaches to build the depth and quality of umpires nationally and internationally. The HPUM will also work closely with the Umpire Development Manager to ensure there is a seamless transition from community level umpiring to high Performance umpiring.

It is essential that applicants have high performance experience either with netball or another sport and understand the unique role that officials have within sports organisations. Planning, organisation and project management skills and experience are also essential as is the ability to lead a team of umpiring contractors and volunteers to achieve success in line with the High Performance vision. Budgeting and financial management experience is also required.

The ability to build trust and establish relationships with a wide sector of the netball community will be critical to the success of the role, along with the drive to achieve results and set standards of excellence. The successful applicant will be a great communicator, highly trustworthy, decisive and objective under pressure.
