

## Application - National Selectors

The National Selector roles are key positions within Netball New Zealand's High Performance programme as these roles have a significant impact on the success of the Silver Ferns Team on the world stage. With Ruth Aitken stepping down from the National Selection Panel, vacancies now exist in the National Selection Panel which is responsible for the selection of the Silver Ferns Squad and Team, Silver Fern training partners and trialists, the National Accelerant Squad and the NZ Fastnet Ferns Team.

The successful applicants will join Silver Ferns Coach; Wai Taumaunu, Gael Nagaiya and Margaret Forsyth on the National Panel.

This is a 2 year appointment commencing 1 March 2012 and going through until 30 November 2013. Applicants for this role will need to ensure that they are available from March through to July each year to attend ANZ Championship matches in their area and around New Zealand. Successful applicants will also be required to attend designated events such as the Silver Fern camps and trials, ANZ Championship preparation games & tournaments and any other events as agreed with the NNZ High Performance Director.

It is essential that applicants have had playing, coaching or selecting experience at Regional, Franchise and/or preferably National level. Proven ability to identify players with potential is also essential. Other competencies required are extensive netball knowledge at the elite level and the understanding of and ability to work within a High Performance environment. The highest level of confidentiality is required and the successful applicants will be great communicators, highly trustworthy, decisive and objective under pressure. Geographical location of applicants will also be a consideration with at least one Selector to be appointed from the South Island.
