Dear President,

Antoinette Faaxxx  
VICE-PRESIDENT  
Ph: +678 xxxxx

As we come toward the end of the year and end of our annual events, I am honored to extend an invitation to your association, or teams at local association or club level, to visit Vanuatu to participate in some friendly matches and training clinics.

Yvonne Prakash  
SECRETARY  
Ph: +678 7744805

Vanuatu Netball Association is a member of IFNA & Oceania Netball. We are a small association going through many improvements in various areas of netball in general. We are continuously constrained by a lack of funds, thereby limiting any possibilities of playing against teams outside of Vanuatu. As a result we are unable to travel out. As Australia is the strongest netball nation in the world we are hoping perhaps there may be a team from your state who may like to come and visit Vanuatu and play against our teams.

In 2009 the Melbourne Heights from Victoria, come to Vanuatu to play and this was a fantastic experience for both our players and the players from Melbourne. We value this kind of competition highly and believe it would be of great benefit to us to have more established teams perform at close view. Our teams need a lot of exposure. One of the steps toward achieving international standards per our Development Plan is to increase participation abroad or rather bring the international participation in country.

## Development

Sarah Murfett  
Technical Officer

We have teams at all levels beginning at 12&U up to the open level. We would be able to arrange games and/or training sessions, depending on the wishes of the teams, at any time as our squads are training all year round in order to improve their skills. In addition to the games, we can assist with any information regarding travel, accommodation options or other activities to undertake whilst in Vanuatu.

Beverly Ligo  
Development  
Officer

In closing, Vanuatu is a fantastic place to visit with the friendliest people in the world and we can guarantee any teams that were to come over would have a wonderful time, both on and off the netball court.

In the event that your club is already engaged over the November/December period, please could you pass this letter on to all your local associations for distribution to their clubs? We look forward to hearing from anyone interested.

Please contact our development team Sarah Murfett and Beverly Ligo by email.

Yours sincerely,

Jeanette Yiu Hing  
President
