FAQ's

Q: Our centre doesn't seem to have received any gift cards this year?

A: They are included inside the winners envelope along with the winners letter.

Q: We don't seem to have received a form for detailing who are winners are?

A: New World has not provided a form for winners details this year as they tried to reduce the admin for centre's by asking the winners to register their gift cards and provide their information at this time. Winners can register their gift cards at www.newworld.netball.co.nz. New World did still provide a poster for you to announce your weekly winners at the centre.

Q: How does someone register a gift card if they don't have access to the internet?

A: Someone else can register the card for them, as long as they provide the winners name when registering the card, or the winner can simply call **Margaret O'Sullivan** on **09 621 0620** to have the card registered.
