

## COOK ISLANDS NETBALL ASSOCIATION

### NATIONAL NETBALL DEVELOPMENT OFFICER

CINA is responsible for provision of Netball services in the Cook Islands.

We require a National Netball Development Officer to service the netball community, protect and foster the game at “grass roots” level, promote the ‘National Netball’ brand, and create opportunities for participation growth through development programme delivery.

Salary Range: \$20,000 - \$25,000 NZD per annum

You may have a sports background, be well organised, self-motivated and able to work independently and part of a wider team. You will be an effective communicator and be able to work with volunteers. You will have had experience in sport development either as a volunteer or paid employee and be confident in your ability to create & facilitate netball development programmes to the netball community.

Please send completed NDO Application Form, any supporting documentation, and address any enquiries relating to this position, to:
