

VANUATU NETBALL ASSOCIATION

NATIONAL NETBALL DEVELOPMENT MANAGER

VNA is responsible for provision of Netball services in the Vanuatu.

We require a National Netball Development Manager to service the Board, develop strategies and policies, implement the strategies for Netball at the elite level, protect and foster the game at "grass roots" level, develop & promote the 'National Netball' brand, and create opportunities for financial growth through sponsorship and fundraising.

Salary Range: 1,500,000 - 1,800,000 Vatu per annum

You may have a sports background, be well organised, self-motivated and able to work without close supervision. You will be an effective communicator and be able to work with volunteers. You will have had experience managing finances and be confident in your ability to source external funding.

Please send completed NDM Application Form, any supporting documentation, and address any enquiries relating to this position, to:
