

DURHAM UNIVERSITY NETBALL SPORTS MARKETING GRADUATE SCHOLARSHIP

Durham University is seeking to recruit a postgraduate netball scholar to study, work and play for Durham University.

The successful candidates will play for Durham University in the British University Sport Premier League and will have the opportunity to compete for Team Northumbria in the *SuperLeague*.

We are looking for graduates who have have/will achieve an upper second class honors degree or above, have an interest in pursuing a career in sports marketing and also have experience of competing in the *SuperLeague* or competition at an equivalent level.

In addition to competing for and training with the University first team the selected candidate will also be given the opportunity to contribute and lead on programmes within the following areas:

- The development and management of sponsorship proposals and contracts
- Event management
- Website development and site population
- Production of copy for the local and regional press
- Graphic design

Appointed Scholars Will Receive The Following Package

- All course fees paid for (expected to be Marketing Management but over 150 courses offered)
- Free accommodation and food in one of Durham's 16 colleges

About Durham University

Durham University, England, is one of the worlds leading academic institutions having just been ranked within the top 25 universities in the world for employability. The sporting programme is also exceptional with leading programmes in 15 different sports. Our netball first team reached the Quarter Finals of the National University Championship in 2011. We are one of very few universities with a full time coach and we are committed to continuing to build the programme to compete at the highest of levels. Existing players include Abi Ryan (honors), Nattalie Conner (honors), Clare Henry (Honors), Chrissy Munro (Honors) and player coach, Marie Ewing (honors).
