

Applications NZ Secondary School Team Assistant Coach

Applications are now being called for the NZ Secondary School (NZSS) Assistant Coach. This has been a highly successful step in the National player pathway for developing elite players at Secondary School level and is an important part of the NNZ High Performance programme.

Applicants for this role will show they are actively seeking professional development. They will be completing Modules through the NNZ Coach Development Framework or have equivalent coaching qualifications. Experience coaching developing elite players is also essential and ability to utilise sports code and/or video analysis is desirable.

The successful applicants will be highly organised, well planned and reliable, able to work closely with the NZSS Coach and other National Squad coaches to ensure a co-ordinated approach to elite player development. Other competencies required are extensive netball knowledge, the ability to give and receive constructive feedback, decisive and objective under pressure.

The applicant is a good fit with NNZ and their philosophies

This contracted position will require the successful applicants to be available for NZ Talent Development regional sessions Sept - Dec 2011, NZSS Team Trials – 13th – 15th April 2012, NZSS Camp 5th – 6th May 2012 and the Trans Tasman Secondary School event to be held in Adelaide Australia late May and early June 2012.

A job description and key dates can be obtained by contacting Gaylene Eyre, National Player Development Manager, details below.

If you are interested in applying for any of these positions please complete the application form and forward to:
