Netball Development Officer

Mid Canterbury Netball is looking to find a suitable candidate to fill the Netball Development Officer role. This role will work predominantly with players, coaches, schools and clubs with the ability to work evenings and weekends when necessary.

The successful applicant will be required to be a skilled communicator, highly organised, well planned and reliable. The ability to relate to and work closely with other netball personnel, players, coaches and teachers in the netball community is essential. Other competencies preferred are strong netball knowledge and the ability to work unsupervised.

This role is contracted for 20 hours per week – Fixed Term for 24 months.
